Case No. 4:20-CV-05640-YGR

DECLARATION OF ADAM FOSSA IN
RESPONSE TO EPIC GAMES, INC.'S
ADMINISTRATIVE MOTION TO SEAL
SUPPORTING EXHIBITS TO J. WESLEY
EARNHARDT'S DECLARATION

I, Adam Fossa, declare as follows:

1. I am currently the Senior Director of Digital Category Management at Microsoft Corporation (“Microsoft”). The facts stated in this declaration are based on my own personal knowledge and, if called as a witness, I could and would testify to those facts.

2. In my current role at Microsoft, I lead the team responsible for business management of Microsoft Store digital gaming category on Xbox and Windows. I have been employed with Microsoft since January 2004. Based on my work experience, I am familiar with Microsoft's business strategies and financial data as it relates to the Microsoft Store on Xbox. Microsoft keeps such information confidential to protect itself and its partners from potential harm.

3. I understand that Epic Games, Inc. (“Epic”) submitted the document bearing bates-stamped number MSFT_EPIC_00008041 that contains Microsoft confidential information as an exhibit in support of a motion they filed in the above-captioned legal case. I also understand Microsoft is concurrently filing a declaration in response to Epic’s motion, and I make this declaration in support of Microsoft’s declaration. I further understand that Epic filed a sealed copy of the document bearing bates-stamped number MSFT_EPIC_00008041 as part of its submission. I have reviewed the document bearing bates-stamped number

1 MSFT_EPIC_00008041 and explain below why the portions of the sealed document that are
2 redacted in Exhibit A attached hereto contain sensitive and highly confidential information that
3 would cause serious harm to Microsoft if publicly released.

4 4. The highlighted portions of the document bearing bates-stamped number
5 MSFT_EPIC_00008041 filed under seal are confidential to Microsoft and would result in harm if
6 publicly disclosed. Microsoft treats the information sensitively, and only discloses it to a select
7 group of individuals on a need-to-know basis.

8 5. The highlighted portions of the document bearing bates-stamped number
9 MSFT_EPIC_00008041 are confidential and would result in harm if publicly disclosed. The
10 highlighted information reflects non-public financial data regarding Microsoft Store on Xbox
11 costs related to third-party gaming transactions and internal financial system details reflecting the
12 financial conditions relied on to produce the line item data. Such information discloses the
13 Microsoft Store on Xbox business strategy, including line item costs associated with operating the
14 Microsoft Store on Xbox. If Microsoft's competitors were to obtain such information,
15 competitors would have valuable strategic information that could be used to undercut Microsoft's
16 position in the gaming industry.

17 I declare under the penalty of perjury of the laws of the United States of America that the
18 foregoing is true and correct.

19 Executed this 14th day of May 2021 in Snoqualmie, Washington.
